

CHINESE DISCO

BUCKETS OF BEER

You get six cold froth dogs but only pay for five. You like that?

GROWLERS

Our version of a growler. It's a liter of whatever cocktail you want, a bucket of ice and a sleeve of plastic cups. It's six drinks but you're paying for five.

If the speciality growlers aren't crazy enough for you, create your own with any liquor and any mixer, such as a Gin and Tonic or a Bourbon and Coke starting at \$37.

OCEAN REEF CUP \$60

White rum, gin, vodka, triple sec, pineapple, oj, splash of grenadine. Good Night.

Just the way Carlos makes it for you after a round.

STRONG ISLAND ICE TEA \$60

Comes with a lot of bass and a terrible accent.

BEERGARITA BUCKET \$70

CHI DI CRUSH \$37

Energy drink and vodka.

SHOT PADDLES

Made so everyone doesn't have to go the bar. Six shots in a paddle. We don't believe in the theory that everyone has to do the same shot so feel free to mix and match.
